EXTENSION

Cornhusker Economics Management And Outlook Conference

Kearney — February 18

Ogallala — February 19

Scottsbluff — February 20

Nebraska City — February 23

Columbus — February 24

Conference Topics

The series of Cornhusker Economics Management and Outlook Conferences will cover a number of key economic topics affecting farm management and production decisions for 2009.

The morning session will focus on the fundamental outlook for agriculture in 2009 while the afternoon session will address the general economy and the policy outlook, including the new farm

Commodity Outlook 9:00—12:00 noon

Livestock — *Darrell Mark*

- What is the outlook for the livestock market?
- How do I manage risk in the livestock operation?

Crops — *Paul Burgener*

- What is the outlook for the grain and oil-seeds market?
- What are my marketing alternatives and challenges?
- How do I handle the production and risk management decisions?

Inputs — *Matt Stockton and Roger Wilson*

- What is the outlook for crop and livestock inputs in 2009?
- How do I manage price risk on inputs?
- How do I manage input costs and maintain profitability?

Land — *Bruce Johnson and Ben Blomendahl*

- Has the land market landed?
- Where are cash rents headed?
- Are crop-share arrangements keeping pace with changing economics?

Panel Discussion

- Questions and comments for the Commodity Outlook Session speakers

Economic and Policy Outlook 1:00 p.m.—3:00 p.m.

General Economy — *Federal Reserve Perspective and Lender Panel*

- Where is the general economy headed?
- Is the ag economy's fate tied to the general economy?
- How do I make financial management decisions in a more uncertain and volatile economy?

Policy Outlook and the New Farm Bill — *Brad Lubben*

- How is the new farm program being implemented and what decisions do I have to make?
- How will the new program affect my risk management decisions?
- How will agriculture fare under a new Administration and new Congress?

Panel Discussion

- Questions and comments for the Economic and Policy Outlook Session speakers
